- 1.2. This Risk Disclosure Notice (the “**Notice**”) is provided by FXGT.com to its Partners in order to help them to understand the risks that exist in trading activities on financial markets. However, this notice cannot and does not disclose or explain all of the risks and other significant aspects involved in trading CFDs or other financial derivative products. The Partner recognizes and accepts that there may be other risks which are not covered in this Notice.
- 1.3. The Partner needs to ensure that any decision to engage in trading and/or entering into any financial transaction and activity offered by FXGT.com is made by him/her on an informed basis and considering his/her knowledge and experience as well as to his/her personal circumstances. The Partner should carefully consider his/her objectives and risk appetite and should seek professional independent advice, if considers necessary.

## 2. General Risk Warning

- 2.1. Trading on financial markets carries risks. Contracts for Difference (“CFDs”) are complex financial products that are traded on margin. Trading CFDs carries a high level of risk since leverage can work both to the Partner’s advantage and disadvantage. As a result, CFDs may not be suitable for all investors because Partners may lose all their invested capital. The Partner should not risk more than he is prepared to lose. Before deciding to trade, he needs to ensure that he understands the risks involved taking into account, his investment objectives and level of experience.

2.2. The Partner acknowledges and understands the following general risks:

- FXGT.com does not and cannot guarantee the initial capital of the Partners' portfolio or its value at any time or any money invested in any financial instrument.
- Regardless of any information which may be offered by the Company, the value of any investment in financial instruments may fluctuate downwards or upwards and it is even probable that the investment may become of no value.
- The Partner is hereby advised that the transactions undertaken through any services offered by FXGT.com may be of a speculative nature. Large losses may occur in a short period.

### 3. Specific Risks of Trading

#### 3.1. Regulatory and Legal Risk

Potential changes in laws and regulations affecting the investment sector and/or a specific financial instrument, can have unforeseeable and material effects to the Partner's investment. Risk involved with regulatory or legal amendments and/or changes are unpredictable and may vary depending on the market.

#### 3.2. Past Performance

Information of previous performance of a financial instrument does not guarantee its current and/or future performance. The use of historical data does not establish a binding or reliable prediction as to the corresponding future performance of the financial instruments to which the said information mentions and should only be considered as a historical overview of the financial instrument.

#### 3.3. No Guarantee of Profit

There are no guarantees of profit nor of avoiding losses when trading and/or executing transactions with FXGT.com. The Partner has received no such guarantees from FXGT.com or from any of its representatives.

### **3.4. Volatility**

Financial markets may fluctuate rapidly to reflect events that are outside FXGT.com's control and sphere of influence. Such volatile moves can have a direct impact on the Partner's profits and losses. FXGT.com might be unable to execute your instructions at the requested price. It should be noted that volatility can be unexpected and unpredictable regardless of the instrument you are trading on. FXGT.com shall not be liable to any person for any losses, damages, costs or expenses (including, but not limited to, loss of profits, loss of use, direct, indirect, incidental or consequential damages) occurring because trades cannot be executed due to market conditions.

### **3.5. Internet Trading Risks**

There are risks associated with utilizing an Internet-based deal execution trading system including, but not limited to, the failure of hardware, software, risk of malicious software introduction, the risk that third parties may obtain unauthorized access to information and/or assets stored on the Partner's behalf, cyber-attack, computer viruses, communication failures, disruptions, errors.

Since FXGT.com does not control signal power, its reception or routing via Internet, configuration of your equipment or reliability of its connection, the Company cannot be responsible for communication failures, distortions or delays when trading via the Internet.

### **3.6. Tax**

The Partner should take the risk that his trades in financial instruments may be or become conditional on tax and/or any other duty, for example, due to alterations in legislation or his personal conditions. The Company does not guarantee that there will be no outstanding tax and/or any other stamp duty incurred. The Partner should be accountable for any taxes and/or any other duty which may accumulate in respect of his trades. FXGT.com does not provide tax advice, and if the Partner is in doubt as to his tax obligations, he should seek independent advice before trading.

### **3.7. Fees and Costs**

FXGT.com fees and charges are set out on each company's website under the 'Trading' section. The Partner shall be aware of all costs and charges because these will affect his profitability.

### **3.8. Information**

Any opinions, news, research, analyses, prices, or other information contained on this website or produced by FXGT.com are provided as general market commentary, and do not constitute investment advice or investment recommendation. FXGT.com does not provide investment, financial, legal, tax, regulatory or other advice relating to investments or trading any financial instrument and/or asset class. FXGT.com shall not be responsible for any loss arising from any investment based on any recommendation, forecast or other information provided. The analyses and comments presented do not include any consideration of any Partner's personal investment objectives, financial circumstances or needs. The content has not been prepared in accordance with the legal requirements for financial analyses and must therefore be viewed by the reader as marketing information.

**3.9.** FXGT.com may elect to execute any order and/or hold any money via a third party. Such third parties are not banks that hold their money as a deposit. If any such third party loses any money, fails or goes out of business, there is no specific legal protection that covers the Partner for losses arising from any funds he may have held with such a third party, even when such party is registered with a regulatory authority. FXGT.com will not be responsible in the event of losses caused by those third parties.

## **4. Partner's Acknowledgment**

**4.1.** The Partner acknowledges that the services offered by FXGT.com do not include the provision of investment advice. Any investment information as may be announced or provided by FXGT.com or on its behalf does not constitute investment advice services whatsoever, or in any circumstances and shall be regarded as given for informative purposes only. No information announced or provided shall be deemed as an assurance or guarantee on the expected results of any transaction.

**4.2.** The Partner acknowledges that the information in this Notice cannot and do not disclose or explain all of the risks and other significant aspects involved in dealing with financial services and transactions. The Partner should be aware of all the risks associated with

trading on margin and seek advice and consultation from an independent financial advisor if he has any doubts. If the Partner does not understand the risks involved, he should not engage himself in the services offered by FXGT.com at all.
